RE: Letter of Support for Koreatown Olympic PBID Formation

Dear President Lee:

This letter is being written to express our support for a public, secret ballot on whether or not a property based business improvement district (BID) should be formed along Olympic Boulevard (between Park View Street and Crenshaw Boulevard). Such a BID would perform maintenance services for an extensive, multi-million dollar Olympic Boulevard Streetscape Improvement Project that would be funded, at least in part, by the CRA/LA. In addition, the BID would provide important security, marketing & promotions, and other services to the area, with a total annual budget of approximately \$1.5 Million.

We believe that the proposed BID may well provide significant benefits to the property and/or business in which we have an interest in the Koreatown Olympic area and want to consider it further.
